

RHEUMATISM NOW GONE

Says A. F. Brunell Since Taking
Tanlac—"Laid Up For Nineteen
Weeks, Unable to Work
For a Year"

"NOW BACK ON JOB"

Declares Holyoke Resident, "And If
Anybody Doubts This Testimo-
nial Send Them to See Me"

Among the many noteworthy testi-
monials to Tanlac, The Master Medi-
cine, is that of A. F. Brunell of 35 Wol-
cott Street, Holyoke, Mass., who made
and signed the following interesting
statement at George F. O'Connor's
Drug Store, Holyoke, Mr. Brunell said:

"I have suffered from rheumatism
for six years. I was laid up for 19
weeks and had doctors but they did no
good and I have been unable to work
for about a year.

"I had rheumatism in every part of
my body and I tried all kinds of medi-
cine for rheumatism but they did no
good. I lost considerable weight and I
even had a specialist look me over but
he couldn't do any good.

"I first saw Tanlac advertised in
the Pennsylvania papers and I started
to take Tanlac when in Pennsylvania.
I was in bed when I started to take it.
I took two bottles and I could sit up
then after taking the next two I found
myself walking around the house, then
I started to get strong and put weight
on.

"I started to go to work just three
weeks after taking my first bottle. It
is a wonderful medicine and it has
certainly put me where I am today.

"I am more than glad to recommend
Tanalac and if anybody doubts this tes-
timonial send them to see me."

The people of New England are now
awakening to an appreciation of Tan-
lac, The Master Medicine, and hun-
dreds of residents who have tested
Tanalac and have been benefited by it,
are openly expressing their gratitude
for the accomplishments of the premier
preparation, by publicly telling of the
results obtained by them through its
use. Countless men and women are
daily aided by Tanlac.

BARRE CHILD WAS KILLED BY AN AUTO

Little Cecilia Skerritt, Playing in the
Street, Ran in Front of a
Passing Machine.

BARRE, Oct. 25.—Cecilia Skerritt, 5,
daughter of Mr. and Mrs. William Sker-
ritt, of this place, died yesterday of in-
juries received last Monday afternoon
when she was run over by an automobile
driven by A. W. Badger, a local under-
taker.

The accident happened on Brooks street.
The Skerritt child, with two companions
older in years, ran across the street as the
Badger car was approaching. The driver
shut off his power, but, noticing that the
children had crossed the street, started
up again.

The Skerritt child, confused, possibly,
started back across the street and before
the car could be stopped had been hit and
a front wheel had passed over her body.

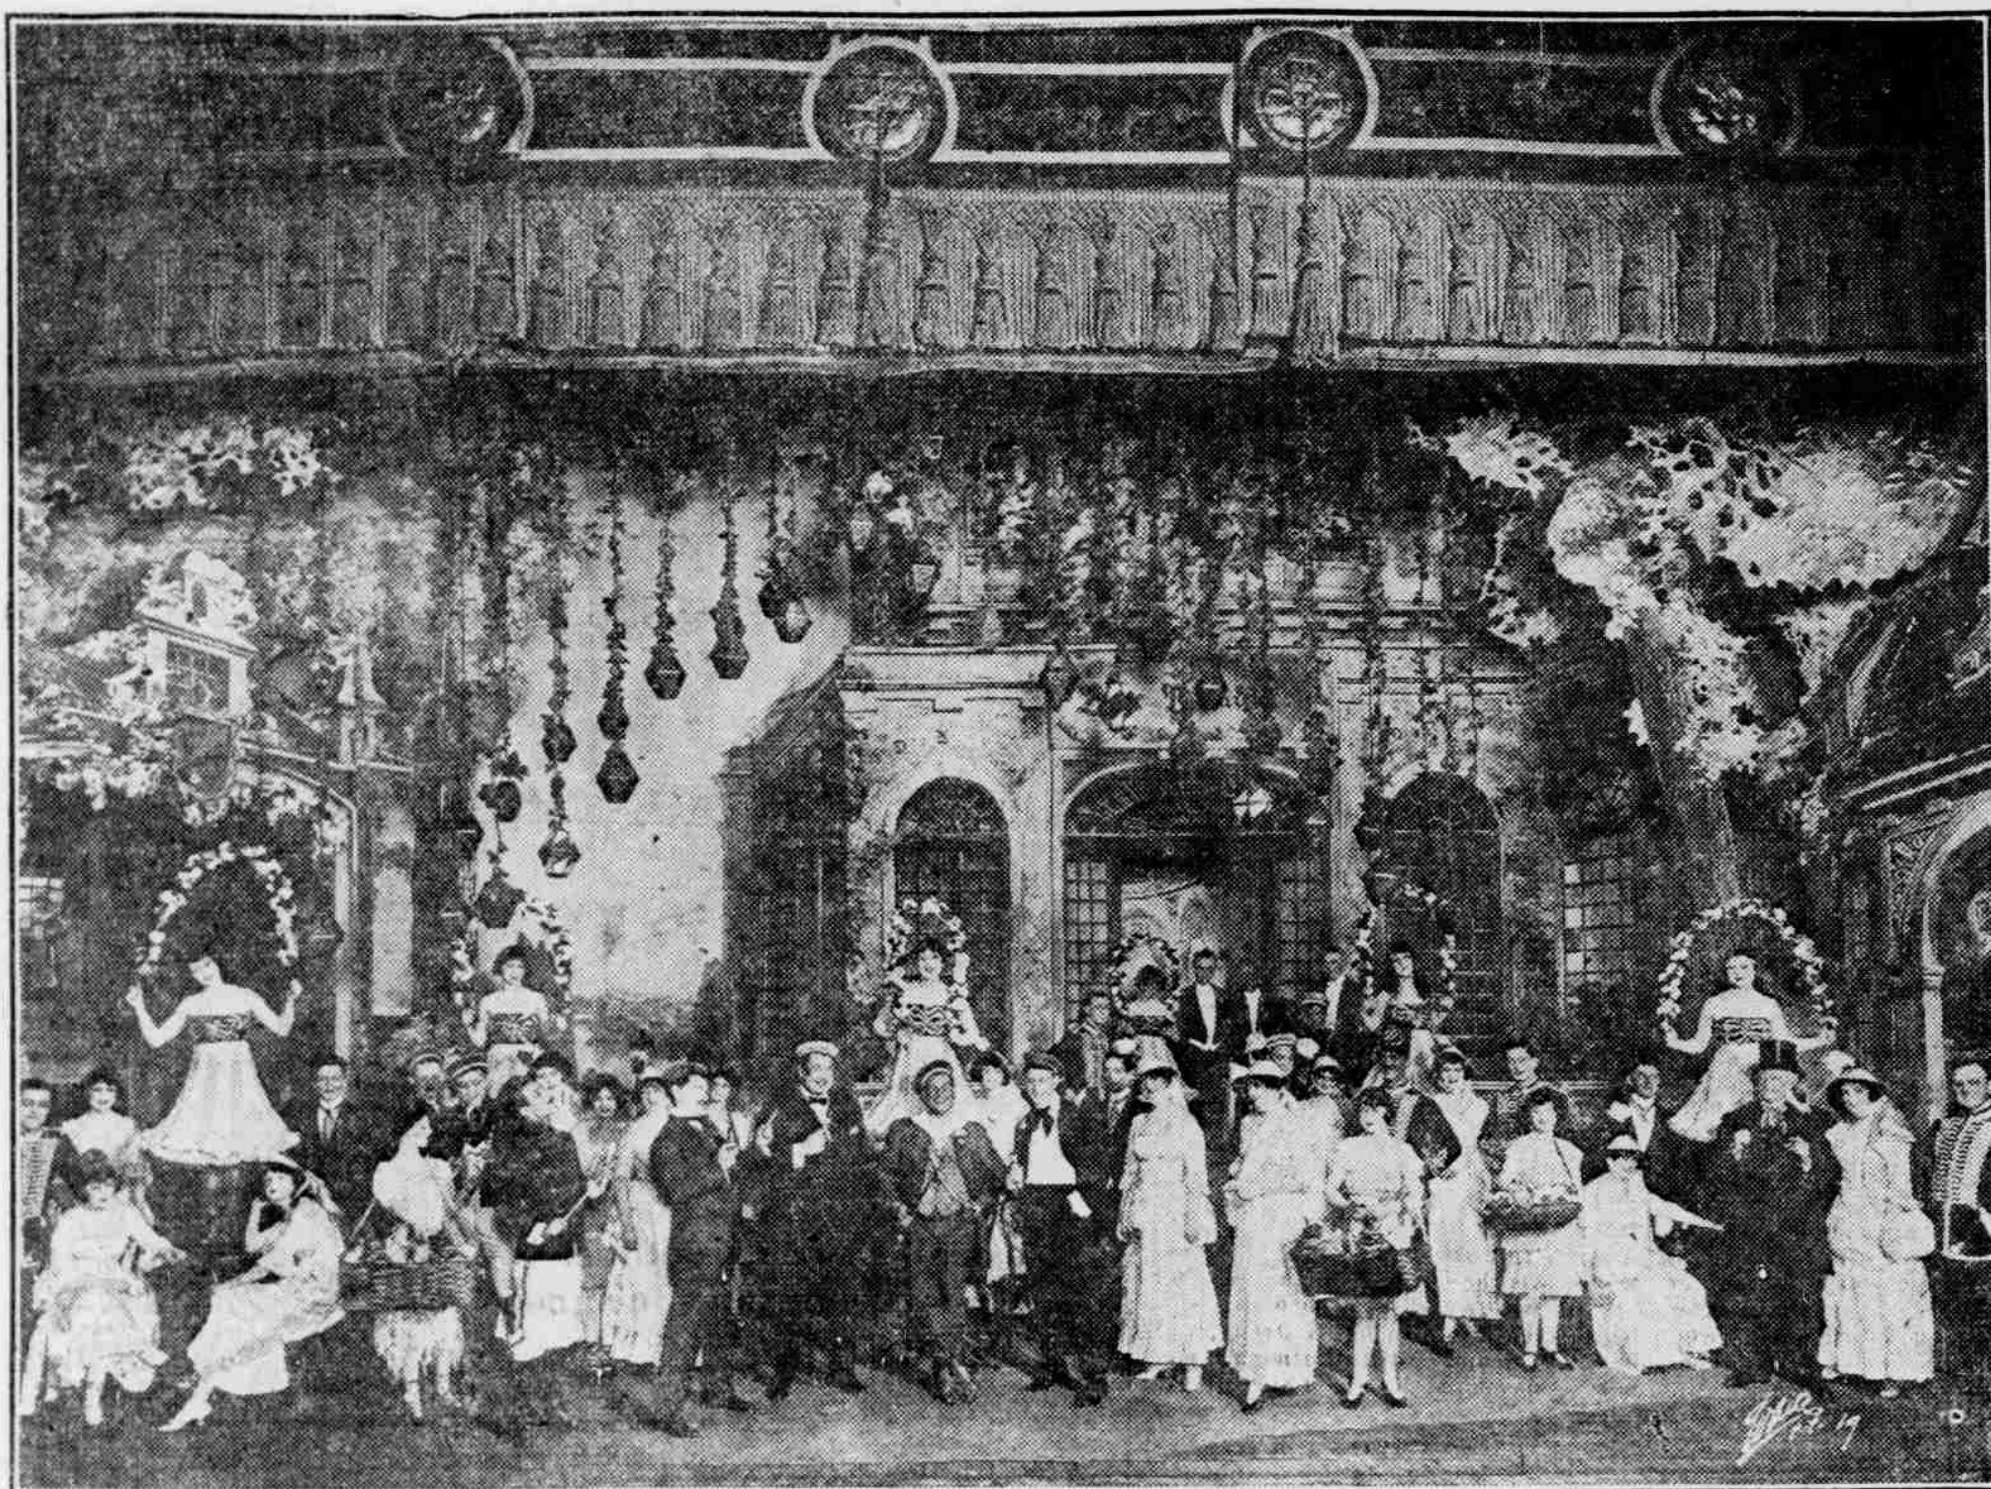

The child was taken home and it was at
first thought that her injuries were not
serious, as no bones had been broken. She
was taken during the night, however,
and died within a few hours.

No arrest has been made and none is
expected, as there is no disposition to at-
tach blame to the automobile driver. The
machine was being driven at a slow rate
of speed when the accident occurred.

One of the many fascinating scenes in the triumphantly popular musical sensation, "The Blue Paradise," which, directly following a record run of one solid year to crowded houses at the Casino theatre, New York, will be the attraction at the Auditorium Saturday afternoon and evening, October 28th. The notable company, which totals almost 100 persons, carries its own orchestra and two huge baggage cars are required to accommodate the wealth of lavish scenery and magnificent costumes displayed in the performance of this famous Viennese operetta. The prices for seats will be at the matinee 25c, 50c, 75c and \$1.00, and in the evening 25c, 50c, 75c, \$1.00 and \$1.50. day, Oct. 23, at the home of Mrs. Mor-
ton in Smith's Ferry, Mass., when her
daughter, Elsie May, was married to
Robert J. Mundall of Brattleboro, son
of Mr. and Mrs. John Mundall of Wil-
lamsville. The ceremony, which took
place at 2:30 o'clock, was performed
by Rev. Robert Wicks of the Second
Congregational church. Only the im-
mediate families were in attendance.
The bride wore an embezzled
grenadine over silk and carried a
showery bouquet of bride roses. She
was attended by her sister, Miss Edith
Norton, who wore green tulle and silk
and carried white chrysanthemums. The
best man was Graydon Mundall, brother
of the bridegroom.

Following the ceremony a luncheon
was served and later the couple left
for a honeymoon trip, the destination
being a secret. They were recipients
of many beautiful presents of silver,
linen and cut glass. The bride is a
graduate of the Holyoke high school
and was employed in the office of the
Japanese Tissue mills.

Mr. and Mrs. Mundall will live in
Brattleboro, where he is employed at
the Brattleboro Retreat.

VILLA NEAR CHIHUAHUA.

People of City Panic-Stricken—Trevino
Short of Ammunition.

SAN ANTONIO, Texas, Oct. 25.—
Confirmation of the report that Villa
has reached the outskirts of Chihuahua
city and of fighting in the suburbs be-
tween Villa's men and Gen. Trevino's
command was contained in a despatch
received yesterday by Gen. Funston
from Gen. Bell, commanding at El Paso.
Gen. Bell's report is understood to
be based on information from Gen.
Pershing. The people of Chihuahua
have become panic-stricken as a result
of Villa's advance on the city follow-
ing his recent victory over Gen. Ozuna
at Palomas, the despatch said. Infor-
mation has reached army circles from
several sources that Gen. Trevino is
short of ammunition.

CRUEL HORSEMAN IS BEFORE COURT

Dr. A. B. Gay, Randolph Veterinary,
Fined and Given Sentence of 60
Days in Jail.

RANDOLPH, Oct. 25.—For beating one
of his horses into insensibility on two
occasions, Dr. A. B. Gay of this town, a
veterinary surgeon and liveryman, was
yesterday sentenced to pay a fine of \$25
and to serve 60 days in the county jail by
Justice of the Peace L. S. Brigham.

Evidence introduced at the trial was to
the effect that Dr. Gay became angered
at the horse because it insisted upon en-
tering the barn before the stable door
was closed of other horses. He is said
to have attacked the animal, which was
attached to a carriage, beating it into in-
sensibility.

Later when he learned that in falling
the horse had broken one of the ribs he
is alleged to have beaten the animal a second
time until it lost consciousness.

Dr. Gay has appealed his case to the
county court.

WATERBURY BOY RUN OVER.

Harold Woodward Struck by Car Driv-
en by Barre Man.

WATERBURY, Oct. 25.—Harold
Woodward, 15 years, the son of Mr. and
Mrs. Warner Woodward, was struck by
an automobile driven by Harry Patch
of Barre and run over by one wheel of
the vehicle on the road between this
village and the Center Monday after-
noon. No bones were broken and al-
though the boy is so lame that he can-
not turn over in bed it is thought that
he will recover.

The boy was returning home from
school and jumped from a team to take
a side road at the old tannery bridge
when the Patch car came along. The
machine was running slowly and no
blame is attached to the driver. The
boy started across the road and was
struck by the car and thrown under a
ward wheel. He was hauled out
from between the wheels and carried
by Mr. Patch to the Woodward home,
where his injuries were attended by
Dr. G. S. Bidwell.

Dr. Bidwell states that he could find
no broken bones and he is in hopes
that the boy will get along without
any serious consequences.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's recipe to bring color,
lustre and youthfulness to hair when
faded, streaked or gray.

That beautiful, even shade of dark,
glossy hair can only be had by brewing
a mixture of Sage Tea and Sulphur.
Your hair is your charm. It makes or
mars the face. When it fades, turns
gray or streaked, just an application or
two of Sage and Sulphur enhances its
appearance a hundredfold.

Don't bother to prepare the mixture;
you can get this famous old recipe im-
proved by the addition of other ingredi-
ents for 50 cents a large bottle, all
ready for use. It is called Wyeth's
Sage and Sulphur Compound. This can
always be depended on to bring back
the natural color and lustre of your
hair.

Everybody uses "Wyeth's Sage and
Sulphur Compound" now because it
darkens so naturally and evenly that
nobody can tell it has been applied. You
simply dampen a sponge or soft brush
with it and draw this through the hair,
taking one small strand at a time; by
morning the gray hair has disappeared,
and after another application it be-
comes beautifully dark and appears
glossy and lustrous. This ready-to-use
preparation is a delightful toilet re-
quisite for those who desire dark hair
and a youthful appearance. It is not
intended for the cure, mitigation or pre-
vention of disease.—Adv.
